PLANET DATA

Planet Data and Cobra Legal Solutions Form Strategic Partnership Alliance Bridges Continents, Integrates Legal Services from India to US

ELMSFORD, NY – DECEMBER XX, 2009 – [Planet Data](#), a leading global provider of defensible, high-quality and cost-effective discovery management services, today announced today it has entered into a strategic partnership with Cobra Legal Solutions that will expand the two companies' service offerings, allowing a cross pollination of legal review services from India to the U.S. designed to provide both consistent, high-quality results and substantial cost savings.

This alliance will grant Planet Data access to Cobra's new state-of-the-art secure facility located in Chennai, India. The extremely sophisticated offices offer network security and a fully-staffed infrastructure, with access to a stable of highly-trained attorneys skilled in document review and data safekeeping. The facility also employs U.S. attorneys on-site and cutting-edge technology that delivers cost-effective, dependable and accurate services to clients.

"India remains one of the world's fastest and most advanced emerging markets," said Zoltan Horvath, President of Planet Data. "We are proud of our alliance with India's premier legal solutions firm; our partnership will integrate the expertise of highly skilled attorneys and discovery management experts on both sides of the ocean."

"We are pleased to be expanding our relationship with Planet Data to provide a comprehensive suite of discovery management solutions", said Jeff Dickerson, CEO of Cobra Legal Solutions. "We have worked a number of document review projects with Planet Data and have always found them to be first-rate in terms of technology, management and support".
